

Consumer Fraud and Business Misrepresentation Litigation

Our firm serves homeowners, buyers, sellers, contractors, dealerships, and small businesses across Southeastern Pennsylvania. Whether you are pursuing a claim or defending against one, our team delivers strategic, trial tested advocacy from first inquiry through verdict.

Our Consumer Fraud Practice Covers:

- **Sellers disclosure disputes:** Representation of buyers and sellers in real estate matters involving undisclosed defects, water intrusion, foundation issues, and alleged misrepresentations.
- **Lemon law and vehicle warranty:** Defense of dealerships and litigation of warranty and misrepresentation disputes.
- **Construction and contractor litigation:** Claims involving the Home Improvement Consumer Protection Act, contractor abandonment, invoice disputes, and workmanship issues.
- **Breach of warranty and misrepresentation:** Express and implied warranty claims, fraudulent inducement, negligent misrepresentation, and unjust enrichment.
- **Deceptive trade practices:** Enforcement and defense under the Pennsylvania Unfair Trade Practices and Consumer Protection Law, including potential treble damages and attorney fee recovery.

Why Choose Our Consumer Fraud Practice

- **White Collar Insight.** Financial record analysis, interviews, and discovery planning that uncover what matters most.
- **Balanced Perspective.** We represent both plaintiffs and defendants, which helps us anticipate the other side.
