UNRUH TURNER BURKE & FREES

ATTORNEYS AT LAW

About Us

UNRUH TURNER BURKE & FREES was founded in 1990 with the mission of providing its clients with the highest quality legal services, and that mission continues to this day. Starting with only 4 lawyers focusing on real estate, land use, business, municipal and school law, the Firm has increased to 23 lawyers, expanding its practice areas to include representation of businesses and entrepreneurs, governmental entities, financial institutions, non-profit organizations, and individuals in areas that encompass sophisticated commercial and creditor's rights litigation, commercial transactions, estate and trust planning and administration, business law, labor and employment law, municipal and school law, sophisticated real estate transactions, taxation, and zoning and land use, as well as other areas.

Each attorney in the firm focuses primarily in practice areas in which he or she has established expertise through education and substantial experience. Legal matters are assigned to and supervised by lawyers in the firm most qualified to handle the particular matter effectively and efficiently, consistent with the client's desires, needs and cost constraints.

Through a steadfast focus on providing top quality services we have earned a reputation for competence, integrity and credibility among our clients, our colleagues in the bar, the bench, and the governmental, financial and business community in which we and our clients work. And we have earned the long-standing loyalty of many individuals, businesses, institutions and governmental entities whom we have been fortunate and proud to serve for many years, and in quite a few cases since the day we started.

With each new client our firm renews its commitment to its original vision of what a law firm should be and do for its clients.

Mission

It is our firm's mission to be a preeminent provider of quality legal services with attorneys who create measurable value and anticipate the needs of our clients in a collegial manner that is innovative, consistent, timely and adheres to the highest standards of integrity.
